Media Advisory

Omega Psi Phi Fraternity, Inc. Honoring CCSD Educators and Students

Office of Strategy and
Communications

Gerrita Postlewait, Ed.D.
Superintendent of Schools

Erica S. Taylor
Chief Officer

Who: Students, parents, and community members are welcome and encouraged to attend. Media outlets are invited as well.

What: One of Julian Mitchell Math and Science Elementary School's community partners, the Mu Alpha Chapter of Omega Psi Phi Fraternity, Incorporated, will hold its 2017 International Achievement Week Observance Program this weekend.

Two Charleston County School District (CCSD) educators will be recognized at this event for their community service work with the Mu Alpha Chapter of Omega Psi Phi.

Mitchell's Lori Holbrook and Daniel Holbrook, of R.B. Stall High School, will be recognized for their contributions to the Annual 6th District of Omega Psi Phi Fraternity, Inc. Summer Camp. This past summer, both teachers volunteered to transport students from CCSD to and from the camp location in North Carolina.

In addition, a few CCSD students will hear their names called when the winners of the organization's high school essay contest are announced during the ceremony.

When: Sunday, November 19, 2017 at 5:00 p.m.

Where: Morris Street Baptist Church, 25 Morris Street, Charleston, SC 29403

For more information regarding this event, please contact Mitchell's Behavior Management Specialist, Reginald Terry, at (843) 276-1613, or the Mu Alpha Chapter Public Relations Officer, Randy Grimes, at (843) 810-5390.

###

About the Charleston County School District

Charleston County School District (CCSD) is the second largest school system in South Carolina representing a unique blend of urban, suburban, and rural schools that span 1,000 square miles along the coast. CCSD serves more than 50,000 students in 86 schools and specialized programs. With approximately 6,100 employees district-wide, CCSD is the fourth largest employer in the region.

CCSD offers a diverse, expanding portfolio of options and specialized programs, delivered through neighborhood, charter, magnet, IB (international baccalaureate), and Montessori schools, and is divided into three Learning Communities. Options include specialized programs in science, engineering and mathematics;

liberal arts; music and other creative and performing arts; career and technical preparation programs; and military and other public service enterprises.
